1.		<p>A3516514 Osito is a pixie like thirteen year old brown neutered male Chihuahua who was jettisoned at the Downey Shelter on October 5th because his former owner's landlord denied them the right to have a dog. Weighing ten pounds, Osito has a low to medium energy level, walks excellently on leash and is likely housebroken. He has an even disposition getting along great with the other dogs he has been kenneled with and we think he will do fine with children who are mature enough to respect his size/age and treat him respectfully. Osito is a terrific lapdog and indoor pet for anyone.</p> <p>To watch a video of Osito please click here: www.youtube.com/watch?v=jvtFamEWXCo</p> <p>RESCUED!!!</p>
2.		<p>A3934894 Chester is an easy-going ten year old brown and white neutered male Pit Bull who was dumped at the Downey Shelter on July 14th because his former owners claimed they no longer wanted the responsibility of taking care of a dog. Weighing fifty-six pounds, Chester has a low to medium energy level and walks perfectly on leash. He has a mellow disposition, getting along fine with his pals in his playgroup, and we think he will do okay with children. He has a couple of tumors which need to be examined by a veterinarian with the proper diagnostic skills – and we are hoping they are benign. Chester is a sensational indoor pet for a family living in a private home.</p> <p>To watch a video of Chester please click here: www.youtube.com/watch?v=yNs8_49ImEE</p>
3.		<p>A4130061 Gotti is a gentlemanly eight year old blue neutered male Pit Bull who was dumped at the Downey Shelter on August 14th because his former owners moved and were either too lazy or too callous to find a safe home for their pet. Weighing fifty-eight pounds, Gotti has a medium energy level and walks like a pro on leash. He has a loving disposition; gets along great with his playgroup cohorts and we think he will be a fabulous pet for older children. He is very well socialized and a truly wonderful ambassador of his breed. Gotti is an incredible indoor pet for a family living in a private home.</p> <p>To play a video of Gotti please click here: www.youtube.com/watch?v=ijMReMQey_M</p>

4.		<p>A4600389 Baby Boy is a kissy six year old brown and cream neutered male Chihuahua who was left at the Downey Shelter on October 2nd because his former owners lost their home. Weighing fourteen pounds, Baby Boy has a medium energy level, walks very well on leash and is likely housebroken. He has a terrific disposition; wants to meet and greet the other dogs he sees and we think he will be an exceptional pet for children. He loves to be held and is highly skilled in the art of lap-sitting. Baby Boy is a fantastic lapdog and indoor pet for anyone.</p> <p>To watch a video of Baby Boy please click here: www.youtube.com/watch?v=glSmfQZ2OAK</p>
5.		<p>A4711279 Maggie is a “move-in-ready” four year old black spayed female Miniature Schnauzer who was discarded at the Downey Shelter on October 11th. Weighing nine pounds, Maggie has a medium energy level, walks beautifully on leash and is likely housebroken. She has a calm demeanor getting along best with dogs her own size and we believe she will be a wonderful best buddy for children. Maggie is a terrific indoor pet for anyone.</p> <p>To watch a video of Maggie please click here: www.youtube.com/watch?v=HHq6zMruP_Y</p>
6.		<p>A4953728 Gemini is an affable three year old black and white neutered male Husky who was discarded at the Downey Shelter on September 29th. Weighing fifty-three pounds, Gemini has a medium energy level and walks pretty well on leash. With one blue and one brown eye, Gemini has an even keeled disposition getting along great with the other dogs in his group and we think he will be a terrific best buddy for children. He is well-socialized and loves to park his big self squarely in your lap where he settles right in for a snuggle session. Gemini is an awesome indoor pet for an active family living in a private residence.</p> <p>To watch a video of Gemini please click here: www.youtube.com/watch?v=KewH2-OxfrE</p>

7.		<p>A4965637 Spike is a spirited ten year old black and white neutered male Pit Bull who was discarded at the Downey Shelter on August 5th because his former owners moved and were either too lazy or to inconsiderate to find a safe place for their pet. Weighing sixty pounds, Spike has a high energy level and pulls in any direction that strikes his fancy while on leash. He has a carefree disposition, getting along great in his playgroups but especially best with the calm females. We are going to recommend him for high school aged kids because with his energy and size he is a handful! Spike wonderful indoor pet for an active family living in a private home.</p> <p>To play a video of Spike please click here: www.youtube.com/watch?v=dfnE9Ad_b1w</p>
8.		<p>A4993913 Reeses is a gorgeous four year old tan female Pit Bull who was dumped at the Downey Shelter on August 27th because her former owners claimed they had no time for her. Weighing sixty-one pounds, Reeses has a medium energy level, walks perfectly on leash and is likely housebroken. She has a sweet disposition; is tolerant of the other dogs in her playgroup and we believe she will do best with older children. She excels at building relationships with people and was born to be a family member. Reeses is a calm and loving soul and a perfect indoor pet for an active family living in a private home.</p> <p>To play a video of Reeses please click here: www.youtube.com/watch?v=Dku_D5VLAy4</p>

40.		<p>A5219474 Kilo is an animated two year old tricolor neutered male Australian Cattle Dog who was dumped at the Downey Shelter on September 16th. Weighing sixty-four pounds, Kilo has a medium energy level and walks very well on leash. He has a lively disposition; gets along well with his playgroup cohorts and should be an excellent pet for children. While he is spirited he does do best with calm dogs who don't rush his face. Kilo is an outstanding indoor pet for an active family living in a private home.</p> <p>To watch a video of Kilo please click here: www.youtube.com/watch?v=Vnfx5UQwU2Y</p>
41.		<p>A5220626 Jason is a ginormous four year old gray and white neutered male Pit Bull who was jettisoned at the Downey Shelter on September 19th because his former owners claimed they no longer wanted the responsibility of taking care of a dog. Weighing ninety-four pounds, Jason has a medium energy level and walks very well on leash. He has a kind disposition getting along great with the other dogs in his playgroup and we think he will be a terrific pet for sturdy children. His former owners let us know that he has been an outside only dog and that he gets along fine with cats; we are hoping that his new adopters bring him in the house with them. Jason loves to give kisses and is an extraordinary indoor pet for an active family living in a private home.</p> <p>To watch a video of Jason please click here: www.youtube.com/watch?v=DmfqtkBxuAI</p>
42.		<p>A5221383 Blitzin is a ginormous five year old white neutered male German Shepherd who was found without either a collar with an attached identification tag or a microchip in Whittier on September 22nd and brought to the Downey Shelter. Weighing ninety-eight pounds, Blitzin has a medium energy level, walks gracefully on leash and is likely housebroken. He has a mellow disposition; gets along best with other calm dogs and we think he will be an exceptional pet for older children. Blitzin is an outstanding indoor pet for an active family living in a private residence.</p> <p>To watch a video of Blitzin please click here: www.youtube.com/watch?v=XNfsP_sHDQE</p> <p>ADOPTED!!!</p>

91.		<p>A5202121 Tremayne is a handsome three year old gray and white male Pit Bull who was found without either a collar with an attached identification tag or a microchip in Commerce on July 20th and brought to the Downey Shelter. Weighing seventy pounds, Tremayne has a high energy level and walks fairly well on leash. He has a super disposition, getting along great with his pals in his playgroup, and we expect he will be a terrific pet for children. He can be initially shy but once he gets going, and it doesn't take much time at all, he is the life of a party. Tremayne is a fabulous indoor pet for an active family living in a private home.</p> <p>To watch a video of Tremayne please click here: www.youtube.com/watch?v=XAZzIqdEbzA</p> <p>TRANSFERRED TO THE CARSON SHELTER</p>
92.		<p>A5176998 Cherry is a happy six year old brown and white spayed female Pit Bull/Bull Terrier mix who was found without either a collar with an attached identification tag or a microchip in Compton on April 28th and brought to the Downey Shelter. Weighing forty-nine pounds, Cherry has a medium energy level and will benefit from regular practice walking on leash. She has a joyful disposition, getting along wonderfully with the other dogs in her playgroup, and we expect her to be an outstanding pet for children. Cherry is a scrumptious indoor pet for an active family living in a private residence.</p> <p>To watch a video of Cherry please click here: www.youtube.com/watch?v=KOFivznQSdI</p> <p>TRANSFERRED TO AGOURA SHELTER!!!</p>
93.		<p>A5219098 Midgie is an exuberant two year old black spayed female Chihuahua who was found without either a collar with an attached identification tag or a microchip in Whittier on September 14th and brought to the Downey Shelter. Weighing ten pounds, Midgie has a medium to high energy level and was so happy to be out of her kennel that she pulled and tugged along on leash. She has a bubbly disposition getting along with dogs of all sizes and we think she will be an amazing pet for children. She loves to go out on walks and to play and also to be cuddled! Midgie is a perfect lapdog and indoor pet for anyone.</p> <p>To watch a video of Midgie please click here: www.youtube.com/watch?v=cMXp95pxDig</p> <p>TRANSFERRED TO THE AGOURA SHELTER!</p>

94.		<p>A5221111 Banks is an absolutely gorgeous four year old tan and white male blue-eyed Catahoula mix who was dumped at the Downey Shelter on September 21st because his former owners claimed that it cost too much to take care of a dog. Weighing seventy-three pounds, Banks has a medium to high energy level and because he was excited to be out of his kennel he tugged and pulled on leash. He has a lively disposition getting along very well with his playgroup buds and we expect him to do great with sturdy children. He is very sweet and affectionate and truly enjoys being around people. Banks is an exceptional indoor pet for an active family living in a private home.</p> <p>To watch a video of Banks please click here: www.youtube.com/watch?v=E-ImmelBuaY TRANSFERRED TO THE AGOURA SHELTER!</p>
95.		<p>A5208282 Mayo is a vibrant two year old white and brown male Pit Bull who was forsaken at the Downey Shelter on August 8th because his former owners moved and were either too lazy or inconsiderate to find a new home for him. Weighing seventy-six pounds, Mayo has a medium to high energy level and walks fairly well on leash. He has a lively disposition; loves to cavort and play with his buddies in playgroups and should do great with energetic children. Daily exercise is in the cards for this dog so if you are looking for a running buddy he is the one for you. Mayo is a barrel of fun and then some and a superb indoor pet for a family living in a private residence.</p> <p>To watch a video of Mayo please click here: www.youtube.com/watch?v=lm2hiBtxydE</p>
96.		<p>A5196548 Anais is a well-socialized three year old gray with white markings female Pit Bull who was found without either a collar with an attached identification tag or a microchip in Compton on July 3rd and brought to the Downey Shelter. Weighing sixty-four pounds, Anais has a low to medium energy level and walks great on leash. She has a super disposition, getting along fabulously well with the other dogs in her playgroup, and we believe her to be a natural for children. Our playgroup staff uses her to help them assess the new dogs that come into the groups for the first time because she knows the ropes and her attitude is so positive. Anais is a phenomenal indoor pet for an active family living in a private home.</p> <p>To watch a video of Anais please click here: www.youtube.com/watch?v=-16tDsl8weo TRANSFERRED TO BALDWIN PARK SHELTER!!!</p>

98.		<p>A5215362 Libby is a socially adept one year old brown brindle and white female Pit Bull puppy who was found without either a collar with an attached identification tag or a microchip in Whittier on September 2nd and brought to the Downey Shelter. Weighing sixty-one pounds, Libby has a solid medium energy level and walks fairly well on leash. This volunteer and staff favorite has a mellow disposition, getting along very well with the other dogs in her playgroups, and we think she is going to be a fabulous pet for children. Libby is a terrific indoor pet for a family living in a private home. To play a video of Libby please click here: www.youtube.com/watch?v=eECwVYap6rk TRANSFERRED TO BALDWIN PARK SHELTER!!!</p>
99.		<p>A5215375 Reno is an affectionate nine year old blue and brown neutered male Miniature Pinscher who was abandoned by his former owners and subsequently brought to the Downey Shelter on September 2nd. Weighing sixteen pounds, Reno has a medium energy level and walks fairly well on leash. He has a warm disposition, getting along great with other dogs, and we expect the same for children. He has a very unusual blue coloration to his coat and we find him absolutely delightful. Reno is an outstanding lapdog and indoor pet for anyone.
